

# Greek Conduct Board

## Application Process 2009-2010

The Greek Conduct Board is a judiciary board composed of a maximum of 14 students throughout our Greek Community. Our purpose is to address grievances and resolve disputes involving Greek organizations and Greek members. The Greek Conduct Board shares the responsibility with Greek student leadership and the University for creating an environment that fosters personal growth and development.

This is an excellent opportunity for any students interested in future law or student affairs careers, or students who want to be involved in decision-making that affects the Greek community.

All chapters in IGC are eligible to have one representative on the board, and there will be several positions open beginning Fall 2009. Greeks whose chapters do not already have a representative on the board for the 2009-2010 year are welcome to apply. Although it is a selective process, we do encourage more than one member per chapter to apply. Members of the GCB will be required to attend all meetings. The board meets on an as-needed basis, but meetings are always held on Thursdays from 5-7 PM. The board typically meets 2-3 times per quarter. The number of times the board meets depends on the number of complaints that are brought forward.

Requirements:

- Be an active member of your chapter (active for at least 2 quarters)
- Have a cumulative GPA of 2.8 or higher
- Must be available Thursday evenings from 5-7 PM
- Presidents and IGC executives are not eligible for membership on the board

Members may remain on the board for as long as they are enrolled at UCSB and continue to meet eligibility requirements. All selected members must attend a training session – time and location TBA.
