

“DECLINE TO STATE” VOTERS
(Voters not affiliated with a political party)

For whom can I vote?

If you are registered to vote with a political party, you may only vote at this election for the candidates running for office from the party with whom you are registered and for or against measures. However, if you did not select a political party when you registered to vote, some of the political parties will allow you to vote for their candidates anyway. If you are not registered with a political party, upon request you can vote a ballot of any political party that has notified the Secretary of State that it will permit “unaffiliated” voters to help nominate their candidates.

You may NOT request more than one party’s ballot. If you do not request a specific ballot, you will be given a nonpartisan ballot containing only the names of candidates for nonpartisan offices and the measures to be voted upon at the Primary Election.

If you are not registered with any political party, and you want to know which of the political parties will permit you to vote their ballots at the Primary Election, you can call our toll-free number 1-800-345-VOTE or visit our website at www.MyVoteCounts.org or www.ss.ca.gov
