What and when are GOLD pass times?

Pass times are the periods when students can register for classes in GOLD (Gaucho On-Line Data). Assigned pass times are staggered based on a student’s number of units completed and priority standing.

Fall 2021 Pass Times for undergraduate students were published on GOLD on May 14, 2021 and Pass 1 began as early yesterday for some students. Pass 1 ends on June 22, 2021.

What is the safety of the campus and Isla Vista like? Where can I find the Clery Report?

Great question! In accordance with the “Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act” (Clery Act) the UC Santa Barbara Police Department publishes an Annual Security & Fire Safety Report to provide information regarding campus safety and security policies, crime statistics, fire statistics, fire-related policies, and resources to current and prospective students and employees.

Who should a student with urgent/emergency financial needs contact?

Students with urgent financial needs are encouraged to contact the Financial Crisis Response Team. This group of committed professionals from units across the university work quickly to support students in challenging financial circumstances.
